The Open Forum Madrid **e-conference book** , containing abstracts and posters from the event, is now **available for download** from this link
.

For presentations, programme and speaker biographies from the Open Forum, please see our HEIDI site here .

Video clips of Open Forum speakers will be uploaded to the site soon, so check back regularly!

Also don't forget to save the date for the next **EPAAC Open Forum in Rome** on **19 and 20 June, 2012** ;
the themes of the 2012 Open Forum will be Cancer Information and Prevention. For more infomation, check back on the site or contact us at partnership.cancer@ivz.rs.si
for details.
