

The Open Forum Madrid [e-conference book](#) , containing abstracts and posters from the event, is now **available for download** from this [link](#) .

For [presentations, programme and speaker biographies](#) from the Open Forum, please see our HEIDI site [here](#) .

Video clips of Open Forum speakers will be uploaded to the site soon, so check back regularly!

Also don't forget to save the date for the next **EPAAC Open Forum in Rome on 19 and 20 June, 2012** ;

the themes of the 2012 Open Forum will be Cancer Information and Prevention. For more information, check back on the site or contact us at

partnership.cancer@ivz.rs.si
for details.
