

As part of the activities for the European Week Against Cancer 25 – 31 May this year, the Association of European Cancer Leagues (ECL) is organising a poster competition for youth all over Europe.

The European Week Against Cancer (EWAC) Youth Competition encourages students to learn how cancer can be prevented by creating posters and videos that communicate effectively one or more messages of the European Code Against Cancer.

The EWAC Youth Competition is a part of the EPAAC Work Package 5, Health Promotion and Preventionh.

The competition is open to groups of 3-5 students aged 11-18 from across the European Union! Enter to win fantastic prizes such as iPads, iPods, digital cameras and a trip to Rome!
